

Questions to Consider for Midterm Reflection Letter

What do you want out of this course? (In terms of writing; I'm not super interested in what grade you would like.)

What are your writing strengths/weaknesses?

- How can the course help you to strengthen/improve them?

Why is it necessary for you to take this course at this point?

What writing activities do you like doing? Which ones do you dislike?

How would you describe your writing process? What do you always do (or not do) when writing a paper?

What is your preferred genre of writing? How can you adapt this to business writing?
